

October 13, 2022

Dear Kindergarten Parents,

Just a reminder that we will be visiting Chandler's Farm tomorrow, October 14th. We will leave around 8:45 a.m. and return to the school between 11:15-11:30 a.m. All chaperones should be at the school around 8:30 a.m. You will sign in at the office and wait in the lobby area. You will be given bags for your group. The bags are for the pumpkins. The pumpkin must fit inside the bag and the child must be able to carry it him/herself. You may carpool with other parents, if you want. There is not enough room for parents to ride the bus.

We will be eating lunch in the classroom when we return. Parents will not be able to stay for lunch after the field trip because there is not enough room in the classrooms.

Please dress your child appropriately for the weather tomorrow. Jackets and/or sweatshirts and old shoes are recommended. Please make sure your child wears his/her red Central t-shirt that was given to him/her by the PTO earlier in the school year.

If you are chaperoning you may be in charge of a small group of students. See you tomorrow morning!
